Summary

After trying all available Intex nozzels, none fit my needs.

Tags: [water](#) [pool](#) [intex](#)

After trying all available Intex nozzels, none fit my needs. So I decided to make a new one which fits perfectly to my Intex Frame Pool.

Printed in ABS with supports on the inside.

Update V4:

Thicker walls to prevent the nozzle from breaking and improved diameter to fit better in the intake.
