Heater vent key

[Hobby & Makers](#) > [Tools](#)

Tags: [heater](#) [key](#) [topeni](#) [klic](#) [odvzdusneni](#)

This is a tool for the home services.
This model is prepare for a heater vent repair.
Size of the square inside is 5x5 mm.

Printing:

Is it better to print it from PETG or ABS in laying down position to make the tool stronger.

For the print you need use the supports only from bed.
