Big Pit Love is not a remix of Pit Love. They are opposites!

In Pit Love, the Pit Bull comes out of charm and is altogether not as sturdy. This is perfect! Original file is an svg used for CNC router, it makes sense it works out in Subtractive Manufacturing Style!

Looks so good I want to add another linkage and put it on my neck. (Remix on the way? Human Necklace Medallion? Could already be used in this way with a thin chain...

I created here with Inland Silk PLA Silver on my Biqu B1!

📄 I use Biqu B1, but is not on list. I would recommend creating your own code always.
