updated 3. 10. 2023 | published 3. 10. 2023

### Summary

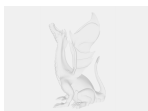

This is a useful gun. It has places for you to put electronics and batteries.

[Costumes & Accessories](#) > [Props](#)

Tags: [cosplay](#) [guardians](#) [guns](#)

This gun was designed off the Marvel Comics guns that Star-Lord uses, specifically the visual model is the same one they put on the Marvel wiki for this gun. I added a display on the side that shows which element is active, and other features as described to me by Chat-GPT.
