This will hold all the game pieces in the box if the cardboard insert is removed. You will need to print the following to get everything to fit.

1 Rider Pawn holder (short or long)

1 Curved Track box

2 straight Track box, 1 for main game tracks and 1 for Peloton expansion tracks

2 Card exhaustion holders. 1 for Sprinter and 1 for Rouler cards

7 Players card holder 1 for each player color and 1 for the track cards and dummy player cards

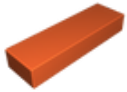

1 Meteo chips box

1 Weather box or the weather standees. This will hold the stand pieces too placed inside next to the taller parts.
