Tags: [photography](#) [godox](#) [speedlite](#) [speedlight](#) [flashpoint](#)

The translucent body of the Lumipets night lights is ideal for diffusing light in your speedlight photography. The fun shapes and animals have the additional advantage of bringing smiles to your subjects' faces.

This adapter fits the Lumipets Night Light animals and connects to many speedlights made by Godox and Flashpoint. Shown is the Flashpoint Zoom R2.

You will need supports for this print.
