### Summary

These tags are made for the dog tag contest. And yes, I know that goodest is not a real word.

These tags are made for the dog tag contest.

One is for boys and the other for girls.

This is my first ever contest entry, so I am aware that it is not the highest quality product.

I made this model in FreeCad.20.

I would really appreciate both positive and negative feedback so I can improve.

And yes, I know that goodest is not a real word.
