Summary

If you have a set of these bits for making wooden beads, then you need a case to keep them in.

If you have a set of these bits for making wooden beads:

<https://www.amazon.com/gp/product/B083BV4N2P/>

then you need a place to keep them. The collet comes in a plastic container and you can keep the collet and the allen key in that, but the bits and spare set screws come loose. This box will keep them orderly and protected.
