Just a little tall, friendly, fun witch for Halloween! Im going to scale her up and slice her into parts for assembly later for a Halloween display with several other characters! Feel free to follow me as Im working on others to come soon.

I've created 2 versions. 1 has a stand and 1 does not. Feel free to use whichever suits your purposes!

Creality slicer 4.8, Layer height .15, wall line count 3, infill density 5%/ 8mm/gyroid, PLA 208, bed 63, flow 100%, print speed 30mm/s (being overly cautious), support everywhere at 60 degree / lines / 0.1% density, raft, remove all holes. 6h 15min, 22g, 7.51m.
