Double Din Bezel

Double DIN bezel for your car stereo.

This fits a 2003 VW Passat, Golf and Jetta.
It will fit numerous other vehicles with a square hole.
Single DIN coming soon.

Print it face down.

PLA Pro
.2 Layer height
100% Infill

If you like, like.

Rock n roll and enjoy!

Just added a new double din version - The outside bezel is 1/8th inch larger all around.
