Summary

Needed a door stop but wanted something a little more fun than your regular wedge!

[Household](#) > [Other House Equipment](#)

Tags: [door](#) [boardgames](#) [home](#) [doorstop](#) [boardgame](#)
[doorstopper](#) [meeple](#)

A more 'fun' doorstop than your regular wedge to keep a few doors in the house open!

Have included a slightly thicker version in case you need a bit more volume.

This remix is based on

Meeple and "chalk outline" of a meeple
