Station to hold your car keys and display a model car!

If you have a request for a certain car brand, comment below and I'll try to get to it!!

Features:

- Removable top Logo section. Can be used to customize for different car brands
- Hook for holding car key. Measured to fit a variety of keys
- Base station to display model car. Could be customized to fit different size model cars

Printing:

- No supports needed
- Insert rectangular plank into slots on both main components for fitting
- Tight tolerances but everything snapped into place perfectly at 100% print on Prusa Mini. You may need to adjust scale to tolerance for other printers.

Don't hesitate to leave any questions or comments below! Please share makes!

If you want me to make one for a certain brand, I will happily do so as long as you send some pictures! Thanks
