### Summary

Most of the face masks in The Gambia are sewn using this 3D printed template.

[Fashion](#) > [Other Fashion Accessories](#)

Most of the face masks in The Gambia are sewn using this 3D printed template. It is simple to use by tailors and the given dimensions provide good fit on the face. Face masks sewn according to this template comply to the local standard regulations and reduce waste of material.

This design was developed in cooperation with Mbolo Association.

### Print instructions

Print with PLA or PETG.
