Summary

Put some love in your loved one's breakfast!

[Household](#) > [Kitchen](#)

Tags: [stencil](#) [breakfast](#)

Want to show your loved one(s) some love first thing in the morning? Bring them a love message in their breakfast mug!

This model works perfectly on my mugs, ø80mm, but it's pretty easy to scale it to whatever size you have.

Other models, together with the files for the cocoa sprinkler that you can see in the pictures, are available in my [Cappuccino stencils collection](#).
