This is remixed a 63 slot 25mm Screwdriver Bit box with additional small space for other bits and reductions.

Original is designed by Jonny. All thanks goes to Jonny.

Print instructions

Original note by Jonny: I Adjusted the Infill and perimeters in PrusaSlicer to above 50% at the hinges to increase the strength of the hinges. The print requires no raft or supports.

This remix is based on

Screwdriver 25mm Hex Bit Box 81 slot
