These are bookends that have a place for labels, great for any library!

I have added a few custom bookends with logos from popular books in our school's library.

I have also included the .step file for both the left and right sides if anyone wanted to customize their own.

Modeled in Fusion 360

Printed on CR-10 with .06mm nozzle

Sliced with Prusa Slicer

0.28 layer height

3 perimeters

5% Gyroid infill

Update:

I added the left bookends for Hunger Games, Wimpy Kid, and Harry Potter models.
