Summary

5015 Blower Fan Shroud and Duct for Sovol SV06

[3D Printers](#) > [3D Printers - Upgrades](#)

Tags: [5015](#) [5015fanduct](#) [sovol](#) [sovolsv06](#)

I remixed two designs into this.

You will need:

- 4) M3x8 screws
- 2) M3x12 screws
- 1) M3x25 screw with an M3 nut (an M4x25 should also work)

If you have time, check out the video. :)

This remix is based on
