So a friend of mine created this bust for my birthday and sent it to me and it floored me with the amount of detail and even put me in a 1440 Makers shirt. We decided to share this model, BUT the artist would like to be anonymous.. So I present to you;

1440 SameOldShane by The Phantom Artist.

### Print instructions

This can be printed in either FDM or Resin. For FDM, you would need to add some supports under the beard and bottom of the ears.
