updated 7. 4. 2023 | published 7. 4. 2023

### Summary

Took the original model and shortened the length and opened the charger port a little to fit the thicker chargers.

[3D Printers](#) > [Accessories](#)

Tags: [phone](#) [ender3](#) [fan40x40](#) [octoprinter](#) [octo4a](#)

Needed a shorter length to give me a better camera shot while using octo4a for timelapses.

- Shortened the overall length by about 1.75"
- Opened the charger port to fit thicker chargers
