I saw the model:

Middle Finger Easter Egg
by Tomo_designs March 26, 2023

And saw it was not remixable - not very swiftly IMO. Not to mention it had mesh errors out the wazoo!

I have created a far superior model using an existing model on thingiverse and Printables -

The amazing and perfect "Egg" by kellyegan. And "Middle Finger" by Karl Marx Champagne.

Hopped in Blender and made this beautiful egg for all to enjoy - let's see those remixes and makes!

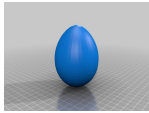

I cleaned up the egg and refined the design a little bit - check out Egg_V2
