This is **Violet Gray**! You can gift it or just make it for personal use. Some other possibilities include mounting it in a frame, or tacking it on the wall. The possibilities are up to you!

The included gcode is sliced for the Prusa MK2.5 with the color changes already included in the file. The color changes for this model are as follows:

White - Shoes/Hair
Tan - Face/Neck/Arms/Ankles
Purple - Shirt/Socks
Black - Outlines/Detail

The colors are in the file name too.

ColorPrint Series

This is part of my ColorPrint Series. My goal is to create multi-color models that are easy and quick to print. Feel free to follow me, if you want to be informed about when new models are released! <https://www.prusaprinters.org/social/24983-dom/collections/3776>
