Summary

Another Easter, another Rock!

Tags: [bunny](#) [rabbit](#) [rock](#) [easter](#) [basket](#) [woven](#)
[johnson](#) [dwayne](#)

Another year, another Easter bunny with The Rock's head!

This time, with a woven baket to hold whatever you see fit.
I have also included the model without the basket, this one might need supports for the paws.

And in case you prefer something that's a little less nightmare-fuel, you might want to check out the version with a [normal bunny](#).

Happy Easter!
