Summary

Castle themed lego skeleton

[Toys & Games](#) > [Action Figures & Statues](#)

Tags: [armour](#) [medieval](#) [castle](#) [lego](#) [skeleton](#)

Castle themed LEGO skeleton.
Remodeled and split the skeleton to fit most printers and print without much post processing.

Accessories made from scratch and work just like the real deal.

Intended to be printed at a larger scale.

This remix is based on

Lego Skeleton Minifigure, 1:1 with Printed Skull Face
by BrickPrints
