Summary

Hoto Tape Measure holder for Honeycomb Storage Wall

[Household](#) > [Other House Equipment](#)

Tags: [tape](#) [tapemeasure](#) [tapemeasureholder](#) [hoto](#)

The tape measure from Hoto is by far my favourite out there. It's a beautiful, self locking tape measure which you can find [here](#) or on Amazon.

What is needed?

- 1x print fille 'HotoTapeMeasure_Holder'
- 1x 'insert-empty' (from original [Honeycomp Storage Wall](#))

How to print?

- very easy print
- No brim, no supports needed.

This remix is based on

Honeycomb storage wall
