I designed these in Tinkercad to fit Qualith's excellent **Gloomhaven Jaws of the Lion organizer insert**. You will need these if you have the first edition of the game, with tiny little initiative trackers.

I've included gcode with a color change for the labels on the lids. The 'Blood Monstrosity' and 'Rat Monstrosity' text is a little small, but they look fine even at 0.30mm DRAFT.

This remix is based on

Gloomhaven Jaws of the Lion organizer insert

by Qualith
