A little storage solution for holding your router cutters. Currently have 2mm, 3mm, 4mm, 6mm, 8mm, 10mm, 12mm, 1/4 inch, 3/8 inch & 1/2inch. Also 2 types of trays to store small parts and collet storage for ER16 & ER32

All are available with or without the embossed text.

The holders dovetail together side to side and end to end allowing you to create a system to suit your needs.

I will add more sizes as and when I need them.

## Print instructions

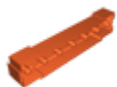

Print face down, use PLA/ PETG/ ASA etc..... no supports required.
