Tags: [nozzles](#) [gridfinity](#) [ankermakem5](#) [ankermake](#)
[gridfinitybin](#) [gridfinitymagnets](#)

To go along with my [AnkerMake Gridfinity Shelf](#) I created a storage box to fit within a 3x1 Gridfinity bin. Stores 5x spare AnkerMake M5 silicone covers as well as 8 spare Nozzles.

Uses 12, 6x2mm magnets to better attach to the shelf, but doesn't require them. Compatible with other Gridfinity baseplates
