Summary

This is an organizational bin system with a base dimension of 50mm. For example, the 1x3x2 bin is 50 x 150 x 100 mm.

[Hobby & Makers](#) > [Organizers](#)

This is an organizational bin system with a base dimension of 50mm. For example, the 1x3x2 bin is 50 x 150 x 100 mm. It was designed with a 0.6 mm nozzle in mind.

The bins all come with a small tab that works like a handle. At the top of the tab is a recess for a 6mm wide label.

The design was done by me, but it was inspired by the organization bins designed by Alexandre Chappel.
