Sized to fit ~8 cards. The photo is with 7 (all I carry).

Internal dimensions:

- 87 mm tall
- 56 mm wide
- 10 mm deep

Side snap case lid. The seal is cleaning filament, the pins are welding rod (2.2 mm) but filament may work.

I have the source in parametric form, and can release different sized pins and seals on request.

New revision adds a lanyard hole to the build.
