Summary

I took the already great design and just tweaked it so I could use a 4010 fan. Thank you for the original file.

I took a great design and slightly modified it to fit my needs. With this it helped me to fit my Noctua 4010 fan. I used the fan cover design from (<https://www.thingiverse.com/thing:5901584/files>)

Thank you for allowing me to print your design @Tremors_317230!
