Tags: [playstation](#) [controller](#) [headset](#) [wallmounted](#)
[wallbracket](#)

Wall mountable Playstation controller and headset stand, Playstation logo on top part.

Please note this was added by request, i do not have a playstation to check if the dimensions measure up for the controller, please drop me a message if this does not support playstation controllers and i will see if i can amend to suit.

Should be able to print laying flat with no supports.

This remix is based on

XBox controller and headset wall bracket
