Summary

Remixed version of @tjdesign's resource counter for the game Trails

[Toys & Games](#) > [Board Games](#)

I thought @tjdesign's resource counter was a great idea. It makes it a lot easier to keep track of your resources—and an eye on your opponent!

I modified the original design in a few ways:

- Made it sturdier
- Slightly increased the size of the holes (the acorns didn't seem to quite fit)
- Turned the holes into indents so you can move the resource holder around
- For sheer aesthetics, changed the font to one that is more similar to the original Trails non-serif font

Fits into [my organizer](#).
