This is a printable extension for the [OXO 15-Piece Kitchen Utensil Set](#) shown here at Macy's.

The OXO organizer is great to hold all the utensils it came with, but I have other pieces that were a struggle to make fit. I designed and printed this extension. If I didn't tell you it was an add-on, you wouldn't know.

Now I enjoy tons of extra storage space for all of my kitchen utensils, in a sleek looking counter top organizer.
