updated 25. 4. 2023 | published 25. 4. 2023

## Summary

This fits standard 2.25" diameter hose

[Hobby & Makers](#) > [Tools](#)

Designed this for a custom table saw guard/dust collector. This fits a standard 2.25" diameter hose (57mm), and the square lip fits snug into a 1.5" slot. The lip is designed to be glued in place with weld on solvent cement. I printed this with Overture PLA+, but I recommend ABS or Nylon.
