updated 25. 4. 2023 | published 25. 4. 2023

Summary

Old style block blaster or bullhorn, depending on the use you're looking for.

[Toys & Games](#) > [Other Toys & Games](#)

Large scale blaster or bullhorn based after everyone's favorite interlocking blocks. Great addition if you have plans to recreate old Star Wars sets at 500% scaled up (not accurate scale).

Best with PLA and supports are necessary.
