## Summary

Remix of a rope clamp.

[Household](#) > [Outdoor & Garden](#)

Tags: [cord](#) [clamp](#) [paracord](#) [cordclamp](#) [ropeclamp](#)

I made this clamp from scratch for a few reasons. I wanted to use paracord I had on hand. I wanted to use hardware I had on hand (imperial). I wanted it to be dual purpose. Configuration 1, cleats together - clamp. Configuration 2, cleats opposite - tight slider. I used a #6 x 1/2" flat head machine screw and a #6 nut. The cleats are a little difficult to discern in the pictures because of the transparent filament I used, but it's what was in the printer.
