Summary

This is a remix of Thingiverse model Snap-fit Shower Curtain Grommet by jstlaurent

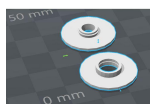

[Fashion](#) > [Other Fashion Accessories](#)

Drop the snap 0.1 mm into the fabric model.

I used Dura PLA nylon printed at 0.3 mm layers, 0.9 mm height, 100% infill, 1 wall, 0.6 mm thick wall. It is better to print at 0.15 or 0.2 layer height.

Print at slow speed, about 30.0 mm/s.

This remix is based on
