Summary

This is a card tray for the Gamegenic Card Box. It is intended for 4 trays in a box. (2 trays in a row)

You can use these trays for the Gamegenic card box. I designed the trays for the Lotr LCG and printed the trays in the colours of the different spheres. The Gamegenic dividers fit into the trays and my card boxes for the Lotr LCG (<https://www.printables.com/model/462436-lotr-lcg-card-box-with-sleeves>) fit also into the trays. (see pictures)
