This holder serves to assemble of IPA pigment filter.

You can purchase the IPA pigment filter here: <https://www.prusa3d.com/product/ipa-pigment-filter/>

A detailed guide on how to assemble the IPA pigment filter can be found here: [https://help.prusa3d.com/guide/ipa-pigment-filter\\_397213#397221](https://help.prusa3d.com/guide/ipa-pigment-filter_397213#397221)

More info about the IPA pigment filter can be found in the article here:

[https://help.prusa3d.com/article/ipa-pigment-filter-cw1-cw1s\\_399494](https://help.prusa3d.com/article/ipa-pigment-filter-cw1-cw1s_399494)

For our internal testing of the IPA pigment filter, we printed this holder from Prusament Tough Resin and Prusament PETG. Parts printed from resin had a longer service life, yet they exceeded the service life of the filter itself several times over.
