Hi guys, this is my second design that I upload to Printables and I want to share it with all of you. The printing of the video is made in normal PLA with the following parameters in the slicer of your choice (but you can use the parameters that you use the most and work best for you)

Battle Orc

Layer High: 0.28mm

Infill: 5%

Print size: 130mm (13cm high)

Support Type: Tree

Printing time: 8 hours and 27min

Post-processing: Sanded in some parts and apply primer before painting
