A organizer for common cables. Designed for "Marshall Kilburn II" BT-speaker.

Suitable for 3.5mm audio cable and 230V EU-plug power cable

- "Brace" PART01 - 2x
- "Box" PART02 - 1x
- "Shim" PART03 - 4x (does not necessarily have to be printed. But looks better ;-)
- "Marshall" logo is optional...[LINK](#)

The box must be clued on the braces...screw them on the speaker first, then glue!

It is attached to four screw holes provided in the housing. The original screws can be used.
