Summary

I made an insert for a .408 Chey Tac

[Sports & Outdoor](#) > [Outdoor Sports](#)

Tags: [reloading](#) [reloadingtools](#)

I made an insert for a .408 Chey Tac. I based my measurement on CIP chamber data plus a tolerance of 0.2mm on the diameters. I would appreciate if someone would be able to verify a good fitting.

This remix is based on

Region 420 Funnel System
