Summary

Shrunk the height by about 17mm to make the height a multiple of 7 and make post it notes more easily accessible

Tags: [gridfinity](#)

I Shrunk the height by about 17mm to make the height a multiple of 7 and make Post-it notes more easily accessible. Also, just less filament use is desirable. Enjoy!

Update: I was mistaken about the height being a wrong multiple, so I fixed that. It should align to the standard now
