Summary

Edge protector for solar panel, printed in different orientations

0.70 hrs

1 pcs

0.20 mm

0.40 mm

PET

5 g

Prusa MINI /
MINI+

[Hobby & Makers](#) > [Mechanical Parts](#)

The edge protector of my solar panel, that powers a stream pump, have worn considerably over 6 years, so I needed to replace them. I printed the protectors using PETG, all necessary files are included. One of the images shows the printed one beside the original grey one.
