I wanted some tokens to replace the cardboard ones included in all of these games. These are designed to print with a printer that can do multiple colors. This is **not** a color change at layer swap print.

You will need the following of each for each game:

Jump Drive: 20x ten-point, 12x five-point, and 52x one-point tokens.

Race for the Galaxy: 4x ten-point, 6x five-point, and 18x one-point tokens.

Roll for the Galaxy: 5x ten-point, 8x five-point, and 20x one-point tokens.

New Frontiers: 8x ten-point, 7x five-point, 25x one-point tokens.
