Christmas bauble display stand.

UPDATE - I have redesigned the tree and base so that they slot together better

Easy and quick to print with no supports

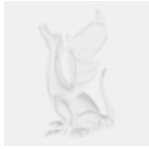

Pictured with a 6cm bauble but can easily be scaled up or down.

Let me know in the comments if you want a different size?

You can find a range of baubles to hang on the tree on my profile page here: <https://www.prusaprinters.org/social/94081-3dprintbunny/prints>
