I must not fear. Fear is the mind-killer. Fear is the little-death that brings total annihilation. I will face my fear. I will permit it to pass over me & thru me. And when it has gone past, I will turn the inner eye to see its path. Where the fear has gone, there will be nothing. Only I will remain.

Sized to fit medium-sized hands; scale as your fingertip requires. Print it pointy-side up, with supports. (I had to use a raft.) Don't poke your eye out.
