Organizer for Insta360 X Series Carry Case.

I really like the original carry case but wanted to include more utilities than the original organizer could hold. This is my first attempt to print an organizer for a case but have many improvements in mind.

- Insta360 X3
- 114cm Invisible Selfie Stick
- X3 Battery Case
- All-Purpose Tripod

It's a rough first version to enable quick prints with minimal overhangs.

Printed on Prusa MK3S with 0.8 nozzle and 0.4mm layer height.
