Ich habe das Modell von Oleksii Zelivianskyi etwas modifiziert, damit es für das Victorinox Cybertool L passt.

Somit kann das Cybertool L am IKEA Skadis Wandboard aufbewahrt werden.

Druckbar ohne Supports.

I remixed the model from Oleksii Zelivianskyi so that it will fit the Victorinox Cybertool L

Now the Cybertool L can be stored on the IKEA Skadis board.

Printable without supports.
