Tags: [toolstorage](#) [toolorganization](#) [toolorganizer](#) [hexwrench](#)  
[hexwrenchholder](#)

I designed this simple hex wrench wall mount to organize my tools. Depending on your printer the tolerances may vary. It is made for 10/8/6/5/4/3/2,5/2/1,5mm.

I printed it in white Formfutura rPLA with 0,2mm layer height.

If you have any questions or advice feel free to write a comment.
